National Federation of Republican Women Hosts Convention

September 14 – 17, 2017 Philadelphia, Pennsylvania

39th Biennial Convention/ Theme: **“Where It All Began”**

To: Members of the Princess Anne Republican Women’s Club

From: Martha Cisney

Thank you for letting me represent you as a delegate the 39th Biennial National Republican Women’s Convention in Philadelphia. It was truly an honor. There were 20 other members from Republican Women’s Clubs in Virginia present. During the four day event which centered on the theme, “Where It All Began,” delegates and other registrants participated in a series of seminars in the areas of campaigns, elections, issue advocacy, and membership and leadership development. Republican leaders and elected official who spoke included: U.S. Senator Roy Blunt from Missouri; U.S. Senator Pat Toomey from Pennsylvania; New Jersey Lt. Governor Kim Guadagno; Kentucky Treasurer Allison Ball, and Peggy Grande (Former post-presidency Executive Assistant to Ronald Reagan, 1989-1999.)

“Philadelphia is where the greatness and governance of our nation began,” said NFRW President Carrie Almond. “We came here not only to reflect but also to be reminded why we must work hard to rebuild our great nation in unity with our elected officials in Washington, D.C., and our home states, to prepare for the upcoming midterm elections to ensure Republican victories across the country.” Founded in 1938, the National Federation of Republican Women is the largest and most influential Republican Women’s group in the nation, proudly representing the party that first made it possible for women to vote in the United States. The NFRW works to increase the effectiveness and relevance of women in the cause of good government. Our mission remains to recruit and elect Republican candidates, promote the principles of the Republican Party, educate the public, and inform the media.

Update on the USO at Norfolk Airport

I recently heard from our contact at the USO. I had called to ask what items were needed at this time. Connie said the USO needs everything except Ramen noodles! So please take the time to pick up some of the things listed below to bring to the October 23rd meeting. Now that the holidays are quickly approaching, the number of service members passing through our local airport will greatly increase.

Just a reminder on some the items needed:

- Individually packaged nuts, candy, crackers, fruit snacks, jerky
- Travel-sized toiletries
- Individually packaged tuna, salmon, chicken
- Entrees such as macaroni and cheese and similar foods that can be microwaved

Organization

PARWC History

The Princess Anne Republican Women's Club was formed in 1989 to accommodate working women, as well as those who preferred an evening meeting. The original club applied to the Virginia Federation of Republican Women for our charter with twelve members and met at the Life Federal Savings and Loan building on Laskin Road.

Jean Ford (deceased) served as the first president and has been followed by many capable leaders.

The PARWC has tripled in membership, small in comparison to many clubs, but we boast that we have one of the most active clubs with members attending every meeting and participating in our activities. Our program emphasis is on political education.

Over the years, we have held a number of fund raising events, most notable our annual sale of the White House Historical Society Christmas ornaments. Our largest fund raiser is the Star Spangled Ball which is jointly sponsored by the four Virginia Beach Republican Women's Clubs. Two thousand fifteen is the 26th Star Spangled Ball. The monies earned are divided equally among the clubs and are earmarked to support our Republican candidates.

RPVB Happenings:

RBVB Breakfast: Now every Saturday at Tubby's Tavern.

Doors open at 8am and meeting at 8:30. with breakfast available.

RBVB City Committee: November 13 at 7:00 pm, doors open at 6:30 at LETA (Law Enforcement Training Academy).

We are proud that two of our members have been named to judgeships in Virginia Beach, one of our members presently serves as Clerk of the Circuit Court, one of our former members served in the United State Congress, and two of our members currently serve on the Virginia Beach City Council. Our members have served or are currently serving on the Virginia Beach School Board, two have been elected to the Presidential Electoral College, and many others have held numerous positions in the Virginia Beach Republican City Committee, as well as serving as officers and board members of the Virginia Federation of Republican Women. We have managed campaigns and have had a viable presence in every Republican campaign since being chartered.

Our Community Outreach projects have included the American Cancer Relay for Life, the Judeo-Christian Outreach Center Pre-school for at-risk children, the USO "Support our Troops" project, providing holiday bags for the Psychiatric Ward at Portsmouth Naval Medical Center, sending monthly boxes to our troops in Iraq and Afghanistan, contributions to Wounded Warriors, Operation Home Front,

Hampton Roads Veteran's Parade, Southeastern Virginia Food Bank, and Wreaths Across America. The PARWC meets on the fourth Monday of each month, September through May, at the Virginia Beach Republican Headquarters. We host a holiday party in December and our membership picnic is held in June.
